Charge of the Task Force Background Materials

Background

On October 7, 2013 the REAP Board of Directors adopted the 2014 REAP Work Plan, which included the creation of the Workforce Development Task Force. The Task Force is charged with two initial tasks:

- *Developing strategies for outreach, awareness, and marketing for workforce and economic development in the South Central Kansas and REAP region; and*
- *Determining how the Chief Elected Officials Board (CEOB) should perform its duties in Local Area IV.*

The following charts and information are provided as background materials for Workforce Development in the REAP region, which covers two Local Areas: Local Area IV, including the counties of Butler, Cowley, Harper, Kingman, Sumner and Sedgwick, and Local Area I, which encompasses the Western half of the state.
