

**REAP Executive Committee Meeting Minutes**  
October 1, 2015 ~ Wichita Workforce Center  
Council Member Carl Koster, Chair

**1. Welcome and Introductions**

Council member Carl Koster, City of Cheney, called the meeting to order.

**2. Approval of Minutes from June 4, 2015**

*Mayor Marcey Gregory, Goddard (Commissioner Chip Westfall, Harvey County) moved to approve the minutes from September 9, 2015. Motion adopted.*

**3. REAP Nominating Committee**

A conference call was held on 9/29/15 for the committee members to discuss nominations.

The nominations were:

Chair: Commissioner Carol Voran, Kingman County

Vice Chair: Mayor Shelly Hansel, Wellington

Treasurer: Mayor Burt Ussery, Clearwater

Commissioner Carol Voran, Kingman County and Mayor Shelly Hansel, Wellington both accepted the nomination.

Mayor Burt Ussery, Clearwater, would like to have further discussion to determine roles and responsibilities of the nomination. Keith Lawing, REAP, will clarify those with him and announce if accepted or not.

The appointments begin on the January 7, 2016 Executive Committee Meeting.

**4. 2016 Legislative Agenda Planning: Keith Lawing**

This item was discussed in conjunction with Item 4C., 2015 Budget Report.

Keith Lawing, REAP, sent out a report from the Legislative Committee. The committee decided there are no identified legislative priorities for REAP to focus on right now. There are no real issues that need budget attention like airfares in the past legislative years. The contract with Tom Bruno ended on September 30, 2015. If an item comes up that needs attention, Tom Bruno would be contacted again to represent REAP.

Tom Bruno was a guest at the meeting and encouraged REAP to make decisions on what should be clear identified issues for planning in the future. He gave the example of transportation and moving goods to and from South Central Kansas as an example.

Andy Schlapp, Wichita State University, provided information about some of the challenges with developing the innovation campus at WSU and the state legislators. It is difficult to be forward thinking when the funding isn't available to support it. There are several last minute budget approvals which make it difficult to be heard.

Keith Lawing, REAP, placed the question out to the group: What should we be doing? He will attend a meeting at the Wichita Chamber of Commerce on October 6, 2015 about airfare.

Mayor Marcey Gregory, Goddard, questioned how REAP could frame government spending from smaller government versus efficient government.

The Legislative Committee will meet on October 22, 2015 and will continue the discussion.

#### **5. 2015 Work Plan and Regional Initiatives**

##### Regional Policy Summit

Lawing announced that this year's Regional Policy Summit is scheduled for Thursday, November 12, 2015 at the Rhatigan Student Center at Wichita State University (A draft agenda was handed out at the meeting packet). This meeting is typically held at the beginning of December; however, as fewer legislators have attended than in previous years, an earlier date is thought to provide for increased attendance. The agenda for the summit will be built around BREG and the regional economy. Invitees include local government representatives, local workforce boards, business and industry. REAP members are encouraged to extend an invitation to interested parties in their communities. REAP is currently recruiting sponsorship for the summit.

#### **6. Other Business**

- Reminder the REAP Quarterly Meeting on October 15, 2015 will be held at the Workforce Center.

#### **7. Adjourn**

The meeting adjourned at 1:05 p.m.

2016 Legislative Plan

Attached is the proposed 2016 legislative priorities. The priorities were reviewed and discussed with the Legislative Committee and developed in consultation with REAP remembers, WSU, KGS, BREG, and Wichita Chamber of Commerce.

Strategies to engage and initiate the legislation for 2016 include:

- Presentation to the South Central Kansas Delegation on January 7, 2016
- Hosting luncheon in Topeka for the South Central Kansas Delegation
- Weekly conference calls updates with regional partners and occasionally legislators

***Recommended action: Approve 2016 Legislative Priorities***

### Proposed 2016 Legislative and Policy Priorities

*REAP advocates for state investments and encourages strategic public policies to create jobs and grow the economy in South Central Kansas.*

The members of REAP focus on issues of common concern that drive the regional economy including transportation, water, energy and workforce development.

- **Forty percent of manufacturing employment** in Kansas is located in the REAP region.
- Healthcare is a significant economic driver, **employing 42,130 Kansans** in the REAP region.
- There are **six state-supported post-secondary institutions** in the REAP region, including the KU School of Medicine-Wichita, Wichita State University, Butler Community College, Cowley College, Hutchinson Community College, and Wichita Area Technical College. These institutions enrolled **41,223 students** in the fall of 2015.
- There are **14 private colleges, universities and institutions** in the REAP region, with an additional **16,300** students enrolled in the fall of 2015.
- The REAP region hosts two of the three Kansas oil refineries, a large wind generator assembly plant, and four REAP counties contain wind farms.
- The region is home to McConnell Air Force Base which reports a **regional economic impact of \$754.2 million** in 2014, creating an estimated **2,600** indirect jobs at a value of **\$115.9 million**.
- **Fifty percent of all exports** in Kansas come from the REAP region. This is approximately \$9.1 billion in goods and services.
- The agriculture industry of South Central Kansas generated a **revenue of \$1.7 billion** in 2012 and employed 7,153.

REAP supports state investments in technology, innovative research, education and skills training in the following areas.

- Research and development at the **National Institute for Aviation Research** (NIAR) at Wichita State University.
- **Career and Technical Education** and skills training at community/technical colleges designed to meet the needs of business and industry through the continuation of Excel In Career Technical Education Initiative (SB155).
- Cutting edge technology at the National Center for Innovation for Bio Orthopedic Research (**CIBOR**), a joint venture of Wichita State University and Via Christi Health hosted at NIAR.
- Medical education and training programs at the **Kansas University School of Medicine-Wichita**.
- **Innovation ACT and related strategies to allow colleges and universities flexibility and tools to partner with business and industry to increase degree attainment and job growth.**
- **The proposed merger with Wichita State University and the Wichita Area Technical college to enhance the regional infrastructure for education and skills training.**

REAP supports transportation projects and strategies to enhance the regional economy in South Central Kansas.

- Maintain funding for **Kansas T-Works** projects in the REAP region, discourage “raiding” transportation funds to balance the budget.
- Support funding of the National Environmental Policy Act (NEPA) study needed to maintain and/or expand **passenger rail service** in Kansas.
